TENDER INVITATION

The “Performance Monitoring of Public Enterprises” (PMPE) project invites service providers to tender for the **“Development of the Ownership Policy For the Public Enterprises (PEs) Sector in Namibia”**

The objective of this consultancy is to develop an integrated Public Enterprises Ownership Policy, in line with the Hybrid Governance Model. This Ownership Policy is intended to provide guidance on the governance oversight functions of the Ministry of Public Enterprises, and at the same time outlines how PEs will relate to other institutions, by clearly defining the relationship between the Portfolio or Relevant Ministries and the respective PE as well as with the Shareholder Ministry (MPE).

The consultancy encompasses the following tasks, among others:

- Carry out a desk research to support the development of an Ownership Policy for PEs in Namibia
- Develop the Public Enterprises Ownership Policy and respective implementation plan
- Facilitate validation workshops around the Ownership Policy
- Conduct staff and institutional capacity assessments (of both MPE and PEs)
- Carry out capacity building related to the Ownership Policy
- Provide final reports and recommendations

The details of the required services are described in the Terms of Reference which are obtainable from the address mentioned below.

Closing date for application is 31st October 2019 at 16H00. If you are interested, please request the Terms of References and submit your proposals as per bidding conditions to the following address: Karoline N Kadhikwa, GIZ Office Namibia, P.O.
